

WHITE IPA

AUSTIN
BREWED

512) WHITE IPA - Refreshingly light, this Belgian inspired India Pale Ale delivers hot weather satisfaction with pronounced hop character. Citrus notes from added orange peel, coriander seeds and a new hop variety called Caliente, compliment a smooth hop bitterness that pleasantly lingers with a dry hop aroma of stone fruit and spice. At only 5.3% ABV, it's light enough to drink a little more yet full of flavor.
