STINGO
ENGLISH STRONG ALE

“Stingo” - a name given to the strong stuff hidden behind the bar in northern English pubs. Aged and matured in oak barrels, this house ale is saved only for those patrons lucky enough to know about it. (512) Stingo is a portion of our Fourth Anniversary English Strong Ale aged 24 months in new American oak barrels, contributing complexity and depth to the naturally rich malty character of this ale.

7.5% ABV | Seasonal
